ABOUT CALLAA

Callaa is a pop and R'n'B singer born and raised in Perth, Western Australia. Starting his music career in 2010 by posting covers of his favourite songs to YouTube, he has since grown his online presence to include a variety of well known covers through both YouTube and Instagram.

A soulful, soothing harmony of chilled vibes, Callaa's unique expression of sound is an experience that will put a groove in your step. Like the first rays of morning sun, Callaa's music is fresh with a love of life, and the possibility that lies within it.

He is most popular for his covers of "Lie to Me" by 5 Seconds of Summer, "Stuck With You" by Ariana Grande and Justin Beiber, and "Marvin's Room" by Drake.

Callaa has continued his solo career by recording his own original music since 2019. He is known for his unique tone and ability to put his own style onto popular melodies. Simultaneously a powerful and calm presence in his performances, all that's left to do is turn up the volume and vibe together with the soundscapes of Callaa.
